

Petrol Operated Units

Petrol & Diesel Engine Products

Petrol Driven General Purpose Sprayer

#PDSP

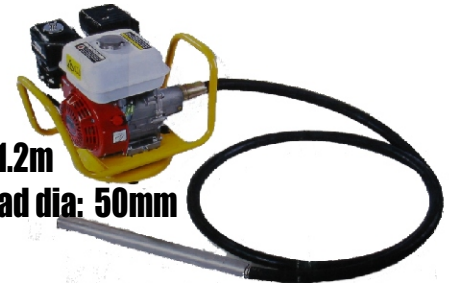

Suction hose: 2m
Suction volume: 7.7l/min
Delivery hose: 10m
Max pressure: 2.5mpa (375 psi)
Engine model: ECO25GR
Weight: 7kgs
2 Stroke: 30:1

Concrete Vibrator

#CONVIB

Max vibrating area: 1.2m
Vibrating needle head dia: 50mm
Hose length: 4m
HP: 5.5
Gross weight: 22kgs

Pressure Washer

#PW13HP

Engine type: single cylinder, 4-stroke, air-cooled, OHV, gasoline engine
Pressure: 3600psi/248BAR
Rated flow: 4.5GPM(17L/min)
Max water temperature: 40C
Engine model: 13HP
Fuel type; Automotive unleaded gasoline
Starting system: Recoil starter
N.W.: 63kg
Overall dimensions: 725L x 555W x 680Hmm
Accessories included: Hose kit: gun, wand, 15 metre hose
Wheel kit: 10" solid wheel, handle

Pressure Washer

Power: 6.5HP
Pressure: 170bar max (2470psi)
Flow: 520L/h (2.3gpm)
Ambient: 5-40°C
Hose: 8 metres
N.W.: 44kgs

#PW65HP

- * Pencil nozzle handy for cleaning cars, house, garden etc
- * Folding fan shape jet handy for watering your garden, lawn, cleaning the toilet etc

Small Petrol Engine Pressure Washer

Working pressure: 80Bar/1160Psi
Max pressure: 120Bar/1740Psi
Flow: 360 L/H (1.58GPM)
Engine Type: QE-950
Category: 2.2HP Single crank two stroke, top-installed gasoline motor
Exclusion of cylinder: 80cm3
The max output power: 1.5/3600 kw/rpm
Start system: Manual coil
Capacity of fuel tank: 1.5L
Consumption of fuel: 0.42
Consecutive working: 4h
Noise (at 7 m): 70 Db

#PW2HP
